

Dr. Stephanie Woelfel PT, DPT, CWS is an Associate Professor of Clinical Physical Therapy in the Division of Biokinesiology and Physical Therapy and holds a dual faculty appointment in the Department of Surgery at the University of Southern California (USC). Dr. Woelfel holds board certifications in wound management from both the American Board of Wound Management and the American Board of Physical Therapy Specialties. She is the Director of Physical Therapy for Hospital Outpatient Services at Keck Medical Center of USC. She is also the primary physical therapist in the Southwestern Academic Limb Salvage Alliance (SALSA) clinic of USC.

Her physical therapy career has spanned over 20 years in both short and long-term acute care, skilled nursing facilities, outpatient, home care and consulting. Dr. Woelfel is active in the American Physical Therapy Association (APTA) and serves as the current President of the Academy of Clinical Electrophysiology & Wound Management (ACEWM). She is also on the Board of Directors for the National Pressure Injury Advisory Panel (NPIAP) and the Post Acute Wound & Skin Integrity Council (PAWSIC).

2022	Course Director for “Advancements in Wound Care and Limb Salvage” program of Third Annual USC Multi-Disciplinary Approach to Lymphedema and Related Disorders Symposium – Santa Monica, CA -- June 25, 2022 Sponsored by Office of Continuing Medical Education, Keck School of Medicine of USC
2019 to present	Director of Clinical Physical Therapy – Hospital Outpatient
2019	Course Director for “Advancements in Wound Care and Limb Salvage” program of Second Annual USC Multi-Disciplinary Approach to Lymphedema and Related Disorders Symposium – Santa Monica, CA -- June 7-8, 2019 Sponsored by Office of Continuing Medical Education, Keck School of Medicine of USC

2017 to present	“Toe, Flow & Go” Clinic – Keck Medical Center of USC Primary physical therapist in weekly inter-disciplinary Limb Preservation Clinic
2017 to 2019	Department Orientation Task Force -- Chair
2014 to 2018	Co-Site Coordinator of Clinical Education
2014 to 2019	Documentation committee
2014 to present	World-Wide Pressure Injury Prevention Day
2015-2016	Co-Chair of Tissue Injury Prevention Team

SERVICE TO PROFESSIONAL ORGANIZATIONS:

International Wound Journal

2024 to present Editorial Board Member

WoundSource

2023 to present Editorial Advisory Panel

National Pressure Injury Advisory Panel (NPIAP)

2023 to present Board of Directors, NPIAP liaison to Alliance of Wound Care Stakeholders

Post-Acute Wound & Skin Integrity Council (PAWSIC)

2024 to present Chair of Bylaws & Policy Committee

2019 to present Inaugural Steering Committee and Board of Directors Member

American Physical Therapy Association (APTA)

2023 to present Representative to the Medicare Access and CHIP Reauthorization Act of 2015 (MACRA) Episode-Based Cost Measures Workgroup for Non-Pressure Ulcers

2022 to present President of Academy of Clinical Electrophysiology and Wound Management (ACEWM)

2020 to 2023 Member -- Specialization Academy of Content Experts (SACE) for Wound Management Specialization

2007 to 2022 APTA Liaison to **National Pressure Injury Advisory Panel (NPIAP)**

2020 to 2022 Vice President of ACEWM (included Chief Delegate duty for APTA’s House of Delegates)

2018 to 2020 Vice Chair/Education Chair of WMSIG (ACEWM)

2017 to 2020	Member, Task Force on Pressure Injury Staging (ACEWM)
2010 to 2019	Section Lead, Task Force on ABPTS Specialization (ACEWM)
2014 to 2017	Task Force Chair – Role of Physical Therapy in Wound Management (ACEWM)
2014 to 2016	Chair of WMSIG (ACEWM)
2009 to 2012	Section Program Chair (ACEWM)
2008 to 2010	Nominating Committee Chair (WMSIG)
2006 to 2008	Secretary/Treasurer (WMSIG)
